

This gives an idea of distances from airports to Camp Blogaway.

Palm Springs airport same distance as ONT, off map - East.

San Diego Airport down there (arrow).

TO HELP PLAN FLIGHTS, CAR RENTAL, ARRIVALS, DEPARTURES:

Camper Registration Packets are emailed about a month before camp: Driving Instructions, Packing List, Personal Sponsor Guidelines and LOTS MORE to help you plan for camp.

Best airport choice is **Ontario International Airport (ONT)**. **Palm Springs** is the same distance as ONT, but much smaller. **Burbank** and **John Wayne / Orange County** may be wiser than LAX, due to traffic.

Rent a car and share the ride/cost with other traveling campers is highly recommended. Start posting your plans on our CARPOOLING link. Several campers tend to have similar travel schedules.

Many So. Cal. campers live near San Diego, Orange County, LAX and Burbank airports. Start tweeting to line up a ride, our campers are VERY accommodating!

IF YOU TRAVEL HERE THURSDAY: Look at hotels in **Redlands**, at the base of the mountains. Second best is near **Ontario International Airport**, a bit farther away. Both are sleepy towns, hotels are modest, you won't get into too much trouble before arriving at camp.

DAY OF CAMP: We'd LOVE to see you early. Our staff arrives around 10:30 AM, but you may show up before us. Help set up and you'll be entered in a drawing for a Door Prize!
